

Services

Master Shots Photography is a unique, complete -"Onsite Fulfillment", Professional Photography Service specializing in Youth Sports.

We photograph all types of sports, during all seasons, throughout the entire year.

However, our unique services go way beyond the basic team and individual posed photos; In addition, we will provide comprehensive coverage of every game in a tournament by capturing various - live action shots of each player on the team - playing the game they love!

But the best part is - No One will have to wait.

Because, immediately following each game, all players and family may conveniently browse through every image captured,

select any product desired, and have their entire order

completed in minutes, right on the spot - ready to take home! Most importantly, due to the positive results, we are able to offer

our valuable services, to those who qualify, for free!

In addition, to show our appreciation, the event's sponsors will receive 10% commissions from all sales generated.

So, add an exciting service to your next event,

you (especially kids and parents) will be glad you did.
